Exercise 5

Present Tense

Choose the correct form of the verb in simple present tense.

Note: In this exercise, nouns (*Tom, Amy, Daniel, etc.*) are used in place of pronouns (*I / You / We / They / He / She / It*). So, it is a good idea to think about which pronoun you could use instead of each noun. After you know what pronoun replaces the noun, use what you have learned in exercises 1, 2, 3, and 4 to conjugate the verbs correctly.

Example: Tom and I → *We* (cook) cook on Tuesday.

Example: Tom and Amy → *They* (cook) cook on Tuesday

Example: Tom → *He* (cook) cooks on Tuesday

Example: Amy → *She* (cook) cooks on Tuesday

- 1) Tom and Amy (cook / cooks) on Wednesday.
- 2) Daniel and I (cook / cooks) on Tuesday.
- 3) Herbert (cook / cooks) on Sunday.
- 4) Carlos and Peter (wash / washes) the car on Friday.
- 5) Jovita (wash / washes) the car on Saturday.
- 6) Ko, Uri, and I (study / studies) English on Monday.
- 7) The students (study / studies) English on Thursday.
- 8) Randy (study / studies) English on Friday.
- 9) I (wash / washes) the car on Thursday.
- 10) Mack (wash / washes) the car on Monday.
- 11) Natasha (study / studies) English on Thursday.
- 12) **Rachel:** Hi, Nina. Can I help you?

Nina: Yes. You (wash / washes) the car, and I will cook dinner.

Rachel: Okay. Good plan!
